- Generous salary + team performance bonus + travel allowance + regular PD

About You

- You are someone who loves what you do
- Someone who is committed, great listener, and a great team player
- Compassionate and experienced supporting parents from various backgrounds
- You are highly flexible, practical, and go above & beyond for families to ensure amazing outcomes
- Creative, innovative and holistic in your approach to therapy

Role Perks & Benefits

- Extensive admin support provided (e.g. scheduling, payments, processing) – you focus primarily on clients
- Full access to our resources, catalogue of toys, your own work iPad & personalised mobile kit
- Free weekly breakfast, coffee, and snacks all provided at Ivanhoe Hub, regular team social events
- Monthly PD provided by a truly world-class team of clinical advisors (over 50 years combined experience)
- Management training - how to effectively coach and mentor small team of junior staff

Clinical – Key responsibilities

- Support children ages 1-12 including their families and educators
- Clinical caseload with primary focus on: Early language, Parent coaching, Early intervention for ASD, Social Thinking
- Running small groups (e.g. social skills, school readiness) where the need arises

About Zanda

- We have a dedicated team who go above and beyond to support our families
- We celebrate amazing moments as a team and have a supportive, friendly and social culture
- Multidisciplinary and outcome focused team
- We love using elements of performing arts (e.g. dance, music, acting...etc)
